Keeping that suggestion in mind, the Principal of Lokmanya Tilak Mahavidyalaya, Dr. Prasad Khanzode placed the same idea before the meeting. All members had expressed their satisfaction, accepted the proposal unanimously and decided to implement it from the next session onward.

Minutes and Action Report

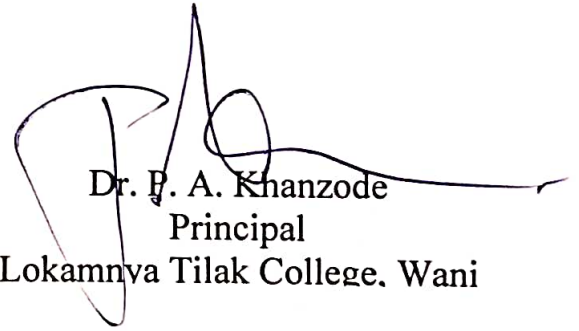

Following members attended the meeting of IQAC held on 27th August 2020 at 3:30 p.m. in Principal's office. Following issues were discussed and resolutions passed.

1. Dr. K. R. Rajput, IQAC coordinator, placed the minutes of previous meeting before the committee and the minutes were confirmed unanimously.
2. During the pandemic period, it was both difficult and risky for the students to attend the admission process physically. To solve the problem caused by the students' inability to attend the said process, Shri Vijay Upadhey, an employee of institution, thought up an innovative solution that was appreciated by the President and the Principal. The solution was accepted (with some minor changes suggested by Prof. Homraj Patelpaik and others) by the committee.
3. The second topic taken up for discussion at the meeting was on teaching and learning that, needless to say, constitute the core of all educational exercises. Dr. Rajput, the IQAC coordinator, placed the issue for discussion before the committee. Members like Dr. Gupta and Dr. Pund deliberated on the various aspects of online teaching as a suitable and effective mode of pedagogy for undergraduate and postgraduate students. Other members like Dr. Khanzode, Prof. Bhujade and Prof. Patelpaik suggested the use of some online tools like Zoom, Google meet, etc. It was concluded by all the members that in the absence of any other mode of teaching in this extraordinary situation created by the outbreak of Corona in a pandemic form, online teaching should be resorted to. The proposal was accepted unanimously.
4. As all important issues were discussed exhaustively, the meeting was concluded with a vote of thanks given by Dr. Prasad Khanzode.
