CORE VALUE

Vision: The college aims to create an environment for multi-dimensional growth of students by organizing curricular and co-curricular activities so as to enable students to pursue sustainable careers. Therefore, traditional degree education is supplemented with skill-based, short-term career courses.

Mission: Gender neutral empowerment of economically and socially challenged students through education and knowledge so that they can grow up as contributors to social welfare and solution providers to the problems of society.

Core Value: Character-Career-Development of learners.
