Subject: Permission for the conduction of Certificate Course on "Soft skills and Presentation skills in chemistry" for B.Sc. 2<sup>nd</sup> and 3<sup>rd</sup> year students.

Respected Sir,

With reference to the above subject and the discussions held with head of the department, we have planned to hold certificate course for 2<sup>nd</sup> and 3<sup>rd</sup> year B.Sc. students on "soft skills and presentation skills in chemistry" in order to explore the soft skills and presentations skills among the students. Each session will be of 1 hour and will be finished in 30 sessions. The entry to this course will be based on student's interest and we are expecting minimum 20-30 students to register for this course. We are also planning to give the certificates to the students after successful completion of the course and attending the common online test. The content of this course is divided in 5 units. The details of the topic / session are enclosed with this letter. Herewith, we are kindly request you to give the permission for the conduction of this course.

Thanking you,

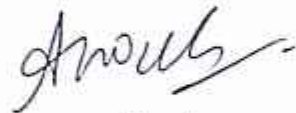

Sincerely yours,

Dr. Prashant B. Lihitkar

- 3a. Why do we need to use the graph in the presentation
- 3b. What is required for drawing a graph, different types of graphs.
- 3c. Use of modern types of graphs in chemistry subjects
- 3d. Use of graph in writing the scientific report, making use of graph in ppt presentation
- 3e. Demonstration of drawing a graph using excel and origin software applications.
- 3f. Exercise or practical assignment on the topic

#### **Unit 4: How to present the chemical reactions.**

- 4a. Significance of writing a chemical reaction
- 4b. How to write a chemical reaction in correct manner
- 4c. Notations used in writing the chemical reactions
- 4d. Different tools used in writing a chemical reaction for presentation like chem draw etc.

#### **Unit 5: How to present the data table of experimental observations.**

- 5a. Importance of using table format for data presentation.
- 5b. Use of making table in the report
- 5c. Use of making table in power point presentations
- 5d. Use of notations in the table
