Minutes of the meeting

1. Dr. K. R. Rajput, IQAC coordinator, placed the minutes of the previous meeting before the committee and the committee members confirmed the minutes unanimously.
2. Dr. S. G. Pund opened the discussion on successful implementation of (NEP) National Education Policy for post graduate students as Dr. Rajput took up the second point on agenda for discussion. Dr. Pund drew the attention of the committee to some of the major problems that the postgraduate students were likely to face. He further stated that students were unaware about challenges that research activities would pose as national education policy incorporates research modules in their syllabus. Dr. M. K. Gupta accepted Dr. Pund's view and requested all committee members to find out solutions to the problems. Dr. Khanzode urged his colleagues to chalk out plans to prepare students for research activities. Dr. Rajput and other committee members lauded the introduction of research modules in post-graduate courses.
3. Dr. H. B. Patelpaik and Principal Dr. Khanzode opened the discussion as Dr. Rajput placed the third point on agenda before the committee. Dr. Khanzode appreciated the institution's initiative to organize 'AZADI KI DAUD', a Vidarbha level inter-collegiate and inter-school sporting event during Azadi Ka Amrut Mahotsav. He further hoped that with better preparations and arrangements, this 5 km-long road race held every year would be a great event. Dr. Patelpaik emphasized that motivating students to participate in race in large number was the need of the hour. All committee members hoped to make the event a grand success and they promised to work in unison to achieve that goal.
4. Since all important issues were discussed in detail, the meeting was concluded with a vote of thanks given by Principal Dr. P. A. Khanzode.

Minutes of the meeting

Following members attended the meeting of IQAC held on 21st March 2024 at 3.30 p.m. in Principal's office. The minutes of the meeting are as follows:

1. Dr. K.R. Rajput, IQAC Coordinator, placed the minutes of previous meeting before the committee and the committee members confirmed minutes unanimously.
2. First of all, Dr. Rajput went through the second point on agenda and informed the members about the pattern of National Education Policy (NEP). Thereafter, Shri. Vijay Upadhye pointed out the difficulties of UG students that they were likely to face following the implementation of NEP from next academic year (2024-25) onwards. He drew the attention of all to the major problem arising out of the choice of courses in vertical division and GOEC subjects. He further added that NEP pattern contained many novel concepts about which the students must be educated. Dr. S.G. Pund accepted his view and stressed the need that the college administration including the teaching staff should spare no efforts to make the courses appear attractive and easy-to-understand for students. Principal Dr. Khanzode assured the committee members that college administration would make every possible effort for students and he promised to organize various workshops for students. Overall, the committee members expressed the hope that the impact of NEP on students would surely be positive.
3. Dr. P. A. Khanzode, the principal of the college, wants the institution not only to excel in academics but also to render all possible kinds of services to society so that the bond between an academic institution and society is strengthened and society reaps the various benefits of schemes that an academic institution takes up from time to time. With this end in view, the departments of Political Science and Sociology launched an innovative programme entitled 'Bandh Manuskiche Nate Aapulkiche'. Under this scheme old, cast-off clothes donated by college staff are distributed among the needy people. Besides, the college staff make financial contribution to purchase food for the poor. This great humanitarian act, according to Dr. Rajput, cements the relationship of institution and society. Dr. Gupta appreciated this move and urged to carry the programme on.
4. Since all important issues were discussed in detail, the meeting was concluded with a vote of thanks given by Principal Dr. Prasad Khanzode.
