Lokmanya Tilak Mahavidyalaya

Wani, Dist. Yavatmal

|| Vision ||

The college aims to create an environment for multi dimensional growth of students by organizing curricular and co-curricular activities so as to enable students to pursue sustainable careers. Therefore, traditional degree education is supplemented with skill-based, short-term career courses.

|| Mission ||

Gender neutral empowerment of economically and socially challenged students through education and knowledge so that they can grow up as contributors to social welfare and solution providers to the problems of society.

|| Objectives ||

In tune with our vision and mission statement, we aim to follow the following objectives :

- 1) To provide an opportunity of higher education to all the students of this area in general and to economically weak and socially challenged students in particular.
- 2) To create an environment for all round growth of students.
- 3) To inculcate skill and knowledge in students in tune with the requirements of local industries.

Lokmanya Tilak Mahavidyalaya
Wani, Dist. Yavatmal

|| National Solidarity Oath ||

As a loyal citizen of India, I solemnly express my faith in peaceful and constitutional resolution of all sorts of disputes. I further swear to abstain myself from using violent means to resolve religious, regional, linguistic or any such issues that will be harmful to emotional integration of the people of India.

|| Oath of Lokmanya Tilak Mahavidyalaya, Wani ||

As a student of Lokmanya Tilak Mahavidyalaya, Wani, I, most sincerely resolve to inculcate the habits of regular study, institutional discipline, co-operation, cordiality and good behaviour (courtesy), so as to maintain and further enhance the dignity and good reputation of my college. I will always remember my unhappy, downtrodden and oppressed brethren and render my small mite in their service.

Our College at a Glance ...

- Originally named Shikshan Prasarak Mandal Mahavidyalaya (S.P.M. Mahavidyalaya in short) and housed in a building called the "Shree Krishna Bhuwan", the college was founded by a group of enthusiastic and education- loving local persons in 1961. Though the college had only Arts faculty in its year of foundation, another Commerce faculty was added in the very next year.
- In 1965 the college was shifted to its present building, donated by the Lokmanya Tilak Memorial Trust and college was renamed as Lokmanya Tilak Mahavidyalaya.
- In 1974 and 1975, the institution added two more feathers in its cap when the Science faculty and the Junior College unit were set up.
- During the academic session 1983-84 the Department of Pharmacy started functioning as a part of this institution. From 1991 onwards, the Department of Pharmacy started working independently as Institute of Pharmacy. In 1994 the college received a great honour when YCMOU, Nashik opened one of its study centers at our college .
- 2005 proved another memorable year in the history of our college since the Bangalore-based NAAC accorded a high grade (B+) to our institution and in 2018 NAAC awarded grade "B" to our institution in second cycle of accreditation.
- Furthermore, the Chemistry Laboratory of our college has been recognised by the Sant Gadge Baba Amravati University as a Research Centre where research scholars can pursue researches.
- As per the recommendations of NAAC, an Internal Quality Assurance Cell has been set up to ensure the all-round development of our institution.
- Last but not the least, the college with its spacious meeting hall, rich library, beautiful botanical garden, well-equipped laboratories, clean campus, experienced and dedicated teaching staff and huge number of students on its rolls continues its journey towards progress.

University/Higher Secondary Education Board Examination :

Students intending to appear at University and Higher Secondary Board Examinations must pay their examination fees before or on the scheduled date failing which they will not be allowed by the college authorities to appear at the said examinations.

Notices for Junior & Senior College Students :

Attending all the examinations/tests conducted by the institution is compulsory for the students. Any student absenting himself/herself from the entire examination or from a particular paper will be fined. Again, a student unable to appear at the examination because of his/her illness, will have to submit an application and a medical certificate from a registered medical practitioner to the Principal only **BEFORE** and not **AFTER** the examination.

Daily Attendance

Attending every period is compulsory for all the students. If a student fails to attend a period for some unavoidable reason/reasons, he/she will have to submit an application (containing a satisfactory explanation of his/her absence) to the authorities concerned. Every student will have to attend at least 75 % (Seventy five percent) of the total number of periods held in each academic session. Otherwise he/she will not be allowed to appear at the Board/University examination. Besides, he/she will not be given scholarships, concessions and other facilities. Regarding these issues, the Principal's decisions will be final.

Uniform and Identity Card

1. Students will have to wear uniforms everyday except on Thursdays. But if the Independence Day, the Republic Day, etc. happen to fall on Thursdays and if the Principal issues a special order, they will have to wear their uniforms even on Thursdays.

Uniform for male students : Full-sleeved shirts and full trousers.

Uniform for female students : Salwar kameez and dupatta.

Samples of cloth for uniform will be displayed on the college notice board.

2. As far as identity cards are concerned, students are supposed to collect them from the office, affix their own passport size photographs, fill in relevant information and obtain the Principal's signature thereon. In case a student loses his/her identity card, he/she can get a duplicate card by paying 100/- (Hundred) rupees.
3. Students having no identity cards and uniforms will not be permitted to appear at examinations. Besides, they will be allowed neither to enter the library, reading room, laboratory, etc. nor to move around the college campus.

Notice Board

In their own interests students will have to keep an eye on the notice board since information about timetable, examinations, scholarships, various programmes, etc. will be provided on the college notice board.

Medical Examination

All the students of the institution will have to compulsorily undergo a medical examination conducted by a qualified doctor appointed by the college. (For Female students separate arrangements are made.) Anyone absenting himself / herself from the said examination, will be fined. Any student suffering from an infectious disease will be permitted to attend the college only after he/she obtains a medical certificate from a qualified doctor certifying his / her full recovery from that disease.

Parking Arrangement

Parking arrangement will be made by Shikshan Prasarak Mandal, Wani. The students will have to pay the cycle stand fee as per the notice displayed at the time of admission.

Incentive Marks

University awards ten marks (at the most) to such students as take part in N.C.C., N.S.S. activities, surveys, sports and various cultural programmes, blood donation, Home Guards etc. organized by and at the college / University.

Do's and don'ts for college students

- As soon as a lecturer/an honorable guest/an elderly person enters a classroom, students must not only stand up but also remain in that position, until the lecturer/the guest/the elderly person takes his/her seat.
- Students must enter their classrooms before the entry of lecturers. They can leave the classrooms, only when the lecturers allow/order them to do so.
- Students must not make a noise during the gap between two periods or during the ten-minute-long recess.
- They must not loaf around in the corridors either.
- If they break/damage any college property, they will have to pay not only the original cost of the broken/damaged article, but also the fine levied thereon by the authorities.
- Students will be punished and fined if they are found guilty of damaging the college building, electricity and water supply systems, of breaking windowpanes of class-rooms or of writing vulgar, nonsensical things on walls and boards of classrooms.
- They must not enter the Principal's chamber or the staffroom without seeking the permission of the Principal or of the staff member.
- Students must behave properly and attend all the periods. If any student is absent from any period, he/she will have to pay fine for the entire day. While moving from one classroom to another students must maintain discipline.
- Even outside the college campus they must refrain from activities which harm the reputation of the college. Besides, they must not form any association, organization, etc. in the college and they must not invite any outsider to deliver speeches, lectures, etc. before them without the permission of the Principal. Of course, after securing the Principal's consent, they can call a responsible person to preside over programmes like debates, elocution contests, music competitions, etc.
- Students must not disclose any information about college management to any outsider.

Other important departments of the college

Library :

Our library has a fairly large collection not only of books (both text and reference books on a wide variety of subjects) but also of charts, maps, etc.

1. In the reading room newspapers, magazines (weekly, fortnightly and monthly) in Marathi, Hindi and English and subject- related journals are kept for the students.
2. To avail oneself of the library facility, every student will have to get a library card. While a junior/senior college student can take home only one book at a time, a post-graduate student can take out two books at a time from the college library.
3. All the students must return their library books within ten days from the date of the issue of these books failing which they will be fined one rupee a day. In case the books are lost by anyone, the student will have to pay not only the price of the book but also the fine imposed thereon by the library authorities. Students should take out and return library books only during scheduled hours on scheduled days.
4. Availability of NLIST at library. N-LIST is a project entitled National Library & Information Services Infrastructure for Scholarly Content. It is a UGC-INFONET Digital Library Consortium which gives access to selected e-resources to our college.

Sports & Recreation Department

The college expects its students to excel in at least ONE game by making the best possible use of the adequate sports facilities provided in the institution.

1. Students must attend the practice sessions held for different games, competitions, etc. failing which they will be punished by the department concerned. Besides, students must attend the medical check-up programme arranged every year by the department. Any student failing to attend the said medical test will be fined.
2. As far as the department of recreation is concerned, it not only provides the talented students with opportunities but also gives special awards, prizes, etc. to such students as excel in the said festival.

N.S.S.

The N.S.S. unit of the college undertakes various social service-oriented activities in rural and urban areas on holidays and during hours when routine academic activities are not performed mainly with a view to raising the students awareness of social responsibilities by exposing them to first-hand experiences of social service. Students' participation in social service camp or any other camp organized every year in rural areas by the college is compulsory. Students willing to participate in N.S.S. activities must register themselves with the teacher in charge of the department within the scheduled time-limit.

N.C.C.

The college N.C.C. unit seeks to inculcate discipline, patriotism, devotion to duty, leadership qualities, etc. in college students. The N.C.C. cadets get opportunities to participate in national/state-level camps organized from time to time by N.C.C. The Cadets get Refreshment/washing allowances upto Rs. 300/-. Cadets may apply for different scholarship. In various services vacancies are reserved for the N.C.C. cadets. N.C.C. helps in overall personality development of cadets. To secure admission to N.C.C., students will have to submit separate applications. (Full information about N.C.C. can be obtained from the college office.)
